Prospectus 2022-23

College Masjid (Art of Excellence)

The Quaid Said:

My young friends, I look forward to you as the real makers of Pakistan, do not be exploited and do not be misled. Create amongst yourselves complete unity and solidarity. Set an example of what youth can do. Your main occupation should be in fairness to yourself, to your parents, in fairness to the State, to devote your attention to your studies. If you fritter away your energies now, you will always regret.

RESOLVE

Dear Students,

Be the grace of Allah on all of us who survived the lethal spread of pandemic, novel Covid-19; and we pray for all those who succumbed to it.

After the recession of Covid-19, the priorities of the world took a 180 degree turn in terms of day to day businesses, social mingling, personal hygiene and the outlook of the world. So did the system of education. Being cognizant of the fatality of *Corona's* attack on us humans certain preventive measures should all the more be adopted. These measures have been displayed and promulgated by the government from time to time.

Dear students, in the backdrop of such grave situation you have to brave this issue by thoroughly adopting Standard Operating Procedures (SOPs). These are to be observed even you are in your classroom. *Remember*, attaining education is prime obligation of every student. And preparing to go into the practical world is adjoined with proper training. So go equipped when you graduate from this college and practise what you have learned and been trained in.

Our well-read and experienced staff need not any introduction as their mastery in their respective subjects has already established in the region by all accounts. Their passion in delivering and assiduity in bringing about desired results speak volume in the annual results of every class. And the continuation of building such milestones is our resolve never to recede.

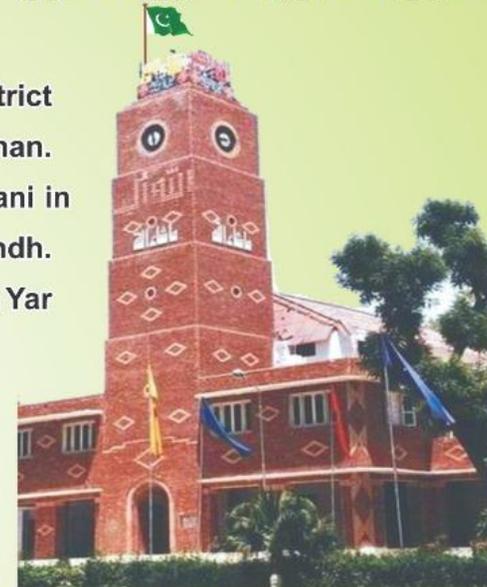

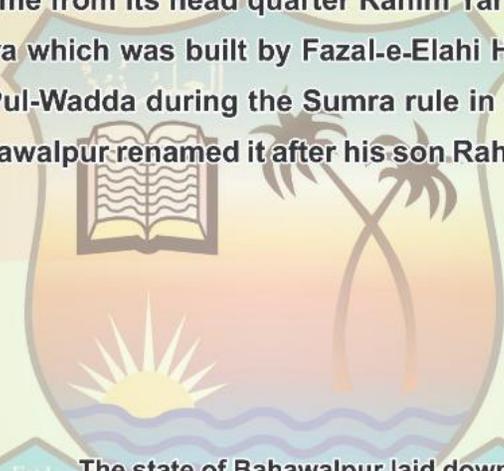

Long live KFGC

A SNAPSHOT OF COLLEGE HISTORY

Rahim Yar Khan was declared as a separate administrative district in 1943. The district derives its name from its head quarter Rahim Yar Khan. The previous name was Noushehra which was built by Fazal-e-Elahi Halani in 1875 on the ruins of the ancient Pul-Wadda during the Sumra rule in Sindh. Later Nawab Sadiq Khan IV of Bahawalpur renamed it after his son Rahim Yar Khan.

Estd. The state of Bahawalpur laid down the foundation of this college in “Town Hall” in 1948. In the infancy, it consisted of only three rooms. The College was shifted to the present building in 1954. It became a degree college in 1962. A resolution was passed in National Assembly in 1970 regarding the name. It is named after the famous Sufi Poet Kh. Farid. The classes for post graduate studies in English, Urdu, Economics and Political Science were introduced in 1995 and the classes of M.Sc. in Physics, Chemistry, Botany, Zoology, Mathematics, M.A in International Relations, M.Ed and B.Ed started in 2012.
